Sunday Rainfall Relieves Crops

A rain shower at Strathmore on Sunday evening, July 19th, for several hours, was very beneficial. While there had been no reports of actual suffering to crops in this district, rain was wanted after the excessive heat of the previous week. With the exception of the crops damaged by hail in the Carseland district, all crops round here are in good shape. The biggest risk from now on will be hail, and most farmers are insured against it.

The hay crop which is being cut at present is a very heavy one, and the stand is the best in years. The growth of mixed farming round here is illustrated by the large area now in hay land.

Events have proved that the very heavy rain on July 19th and 20th, totaling 1.87 inches, was a godsend, for the parts of the Province which did not receive this have suffered very seriously under the hot sun.

Some damage may have been caused here by heat, but it is hard to say whether or not.

LANGDON FAIR WEDNESDAY

Langdon fifteenth annual fair and sports takes place on Wednesday, July 22, and there is every expectation of a fine exhibition and a good sports day.

\$2,500 is offered in cash prizes. Langdon Fair was not held last year, owing to the Department of Agriculture not having been notified in time, but this year the committee are making it better than ever.

All entries, excepting sports, are positively closed on July 27, at 6 p.m.

Langdon

Mr. and Mrs. C. E. Fulton, of Florida U.S.A., are visiting relatives and friends near Langdon.

Mrs. Richards and baby, of Oids, are visiting at the home of her parents, Mr. and Mrs. V. E. Dye.

The W. V. picnic has been postponed to Friday, July 24th.

Mr. and Mrs. Cowen are holidaying at Bonness Park.

An interesting ball game was played by the Women vs. the Married Men, Saturday night. Score 15 to 20. In whose favor?

Coming Events

The Women's Institute will hold their annual picnic at the home of Mrs. E. Thompson on Friday, July 24th, at 6.30 o'clock p.m. Everybody cordially invited to come and bring lunch baskets, with knife, fork, spoon and cup. Races, games, and a lively time for both young and old. Supper on the lawn promptly at seven o'clock.

Board of Trade Greet New Business Men

A meeting of Strathmore Board of Trade was held in the Memorial Hall on Monday evening. There was not a large attendance, but the discussion throughout was very interesting. After an excellent supper, served by Mr. Bill Williams, the President, Mr. T. E. Wright, called the meeting to order.

The report of the Stampede Committee was read, and on motion of Mr. E. S. Stockton, it was carried unanimously that a hearty vote of thanks be paid the Stampede Committee for the fine way the Stampede had been handled.

Irrigation Convention

A letter from the Western Canadian Irrigation Association was read, asking the Board to select three delegates to the Convention at Kelowna, B. C. S. Stockton was appointed a delegate, with power to select the other two.

Misdirecting Tourists

A letter was read from Bassano Board of Trade, stating that tourists to Calgary and Banff were being directed at Medicine Hat over the Canadian Highway, instead of via Bassano, Gleichen, and Strathmore, which was a shorter route. It was stated that the Board were arranging with Mr. J. W. Davidson to pay part of the cost of signs at Medicine Hat and other points directing tourists as to routes, but Bassano was promised any further co-operation that might appear necessary.

Signposts

A letter was read from M. D. Bow Valley suggesting that the Board of Trade take up the subject of placing signs at highroads throughout the district. This suggestion was approved as being very necessary, and Messrs. Dunn, Arnold and White, were elected a committee with power to act.

Ladies' Rest Room

The necessity for a ladies' rest room in town was discussed, and a motion passed that if the Town Council would assist by getting a building that could be used as a rest room, the Board would move it into place and put it in shape for use.

The question of an auto camp ground was also discussed, and a committee was appointed to interview the Council with regard to this and the rest room.

The Board of Trade will entertain the delegates to the Municipal Convention to be held here on August 6.

The Board put themselves on record as supporting the School Fair, also the unveiling of the memorial to soldiers killed in the Great War, next month.

Welcome New Business Men

During the evening President Wright welcomed the new business men to Strathmore. Dr. T. W. Moore, J. M. Arnold, J. E. Everfield, and Wm. Lee replied.

The next meeting of the Board will be held on August 6, and will take the form of a reception and entertainment to the visiting delegates to the Municipal Convention.

Standard Notes

The marriage took place in Rockyford at an early hour Saturday morning, July 18th, of Miss Nellie Drydale, of Standard, and Mr. Andrew Vanson, of Aberdeen, Wash. Rev. Father Boitt performed the ceremony in the presence of the immediate relatives. Mr. and Mrs. Vanson left by car for Aberdeen, Wash., where they will reside, carrying with them the best wishes of the Standard district, where the bride has resided for the past ten years.

Mr. and Mrs. E. L. Wirt, Miss Georgia Staufferman, and Mr. and Mrs. F. D. Knowlton left by car on Saturday for Vancouver and Seattle, via the coast. They will also visit in the Okanagan Valley before their return.

Mr. and Mrs. J. F. Fringle and Wallace joined the party at Calgary and accompanied them as far as the Okanagan.

Mr. and Mrs. N. W. Thompson and daughters, Doris and Marjorie, spent a few days in Banff recently.

The Standard Annual Sports were held on July 19th, with a large crowd of 1,000. The brass band from Calgary was much in evidence, and supplied splendid music during the day.

The baseball games played between Standard and Gleichen resulted in a draw, standard winning the first game with a score of 10-5, and Gleichen winning the second game with a score of 8-7, both were good games, the teams being very evenly matched. The football game, which was scheduled for the evening had to be postponed on account of the dust storm.

The races and horse show games were highly contested. The crowning event of the day was the splendid dance, when well over 150 couples danced to excellent music supplied by the Jolly Boys Orchestra from Calgary. We hope this orchestra will visit us again in the near future.

Favoured by fine weather, the Strathmore 1925 Stampede passes into history as one of the most successful events of its kind ever held in Strathmore.

The race programme was good, and there were some close finishes. Miss Toots Davis, of Cheadle, was a popular winner in several of the open events, as well as the ladies races.

The bucking, steel riding, and roping, were as good as have ever been seen in the province. For several hours the chutes were working continuously pouring out cowpunchers on bad acting bronchos and wild steers. While a number were piled there, there was no serious accidents. Dick Cosgrave, the stampede manager, and his assistants, Leslie West and Bob Anderson, deserve credit for the programme he put on, and the speed with which it was handled. The crowd had more than six hours of sport, and everyone seemed to be certain that they had got their money's worth.

\$1,114 was taken in tag sales around the arena, representing an attendance from 1500 to 2000. Children were free, and there was a good turnout of Indians from the Blackfoot reserve.

The athletic sports in the forenoon gave the children great enjoyment.

The Parade

Over a hundred cowboys and girls comprised the parade from the Memorial Hall, which was headed by Strathmore Citizens' Band. In a decorated dory, the motive power for which was supplied by one of the splendid four-horse teams from the Demonstration Farm.

The racing events were first on the programme. Entries were numerous, and great rides were put on by a number of the contestants.

Contestants and spectators alike were well pleased with the work of the Judges.

Stampede Is Fine Day's Sport

Also Successful Financially Sykes Robinson Wins Bucking

There were quite a little midday running near the entrance with games of various kinds, and the committee made a respectable amount on percentage from these.

Cowboy Dance

The spacious floor of the Memorial Hall was crowded to the limit at the dance in the evening, between four and five hundred people being on the floor.

The colourful attire of the many cowboys and cowgirls who participated gave the real wild west flavor to the scene, and everyone had a good time to the music of Mr. Trainor's orchestra. Several electric fans were running all evening in the hall, which kept the atmosphere cool and pleasant. A nice supper was served by the Anglican Ladies Guild. Prior to the dance Mr. M. S. Hurtle presented "The Light of Western Stars," an appropriate picture, to a good house.

Over \$1,000 for Hall

As a result of the day's doing, the committee were able to turn over to the Hall Fund slightly over \$1,000.

The gate receipts were not as high as last year by \$200, but \$600 was collected in donations, and a large amount that was spent last year for labour was saved by the work being done voluntarily, and the committee are very grateful to all who assisted with donations, labour, as judges, etc.

The debt on the Memorial Hall is thus now \$2,200, and as building and furnishings cost \$17,000 when erected in 1921, this is a very creditable showing, and an encouragement to the G.W.V.A. and citizens of the town to continue their efforts until the hall is clear of debt.

Judges for the racing were: T. Copeland, Chas. Barber, Geo. Jones, Chas. O'Bray, and Chas. Kinnamet.

The winners of the various events are as follows:

Walk, trot, and run race—A. Peterson, C. A. Hartzel, A. O'Bray. White men's half mile—W. Byers, Miss Toots Davis, D. Martin. Indian half mile—Blackface, Tom Two Names, Donald McEaster. Democrat—Earl Miller, C. Hartzel. Free-foal, one mile—Miss Toots Davis, W. Byers, D. Martin. Half mile pony—J. Ellis, Miss Toots Davis, H. Eaglerth.

One and half mile relay race—Dick Bad Boy, C. Hartzel, L. Brown. Ladies' half mile—K. Martin, Miss Toots Davis, Mary Harwood.

Barrel race—G. Anthony, G. Eliertson, Jim Water Chief.

Best bucking horse—Coyote. Horse bucking contest—Sykes Robinson, Walter Lyons, W. Kesinger.

Best bucking horse—Coyote. Horse bucking contest—Sykes Robinson, Walter Lyons, W. Kesinger.

Steer riding—Jim Mackie, Sykes Robinson, Harry Groves.

Calf roping—L. J. Anthony, J. L. Peterson.

Saddle riding—Sykes Robinson, Carl Forester, Archie Miller.

Wild cow milking contest—Earl Warren, Harry Groves and A. Anthony split second and third money.

Best dressed cowboy—Toots Davis. Best dressed cowgirl—Erle Miller.

Special—Master Billy Morgan. Judges of bucking contests—Harry Herbert, of Buffalo Hills; W. W. Brown, of Gleichen; and Carl Brown, of Tudor.

The Stampede Programme

We quote the following report of the Stampede and race programme from an excellent write-up published in the "Albertan" from the pen of one of its sport writers:

Riding "Lawson" to a gallop finish, scratching (one and a half miles) on rodeo the twisting outlaw into submission at the Strathmore Stampede Wednesday afternoon and gained first prize at one of the most successful stampedes that has been staged in the province. The management, under the direction of Dick Cosgrave, had searched the highways and byways for bad horses and they certainly had been successful. Seldom has a stampede provided such a consistently high grade of bad horses for the cowboys to show their skill. Many of the boys were pilled during the afternoon but though some of them felt hard there were no serious injuries.

Sykes Robinson was the first rider in the finals to leave the chutes. Johnny Vanson, who was the second rider to go out, drew "Ain't You Sorry". He was. The big bronc whirled around in the mouth of the chute and threw him within three feet of the starting place. Charlie MacDonald found that "Wildflower" was just a little too wild and the ground before he had travelled more than ten feet. Walter Lyons put up the prettiest ride of the day on "Banana," a tall outlaw, who reared in vain to paw the sun. Lyons stuck to him, but he did not do much scratching, and the horse, while more spectacular, wasn't as hard as the horse that Robinson got. Lyons won second money. Bill Kesinger got third money for a good ride on Mickey.

Fourteen Entries

In the preliminary round Gordon Cruilly put up a nice ride on Dutch Lake Kid. The bronc did his stuff in fine style and finally discarded the youngster after a brilliant exhibition. Bob Prakes found Banana too much, and injured his arm when he fell. There were fourteen riders in this event.

Strathmore Stampede

(Continued from front page)

Thrown Twice
Earl "Nap" Fisher was lucky and he was unlucky. The first time he rode the catch broke and he and his saddle tumbled off the horse and within a few feet of the start. He got a revival. Casey, who pined his hand and went right over him, his hoofs coming down within a couple of inches of his head.

In the bareback riding Pat Dolan made a good ride, but was disqualified when he grabbed the stirrup with two hands. Frank Robinson, Carl Forester and Archie Miller took the prizes. Jim Mackie, Tex Robinson and Harry Groves won the steer riding, there were certainly a lot of ugly bruises among the lot that were left loose during the afternoon.

Indian Relay
The calf roping was probably the weakest item of an exceptionally good program. There were a large number of misses. Jim Anthony, of the Black foot reserve, took first with a time of 1:14.

"Toots" Davis, the popular Chevalier, won the bulk of the prizes in the ladies' maverick race. She was forced to take second in the ladies' half-mile race, when Miss K. Martin won by a nose. Miss Davis was second in the half-mile open and first in the one mile race.

Relay Race
Dick Hadley won the relay race in the last lap when his horse overcame the lead of Charlie Hartel and won easily. J. Anthony, of the Blackfoot tribe, took first in the barrel race, and another Indian, Jim Waterchief, was third. G. Alberson was the only white man to get in the finals in this event.

The events were supervised by Rev. A. D. Currie.

The stamps and stationery used in connection with the stampede were donated by the secretary, and the lumber for the fences and corrals was loaned free by the Crown Lumber Co. The C.P.R.D. loaned the tents that were used for the stampede.

The committee wish to thank all those who gave their services, especially those who officiated as judges, starters, etc., and those who worked at the corrals during the bucking events. Mr. Harry Groves was in his element when flank-roping the bucking horses, and the result of his work was seen when the horses came out of the chutes.

The approximate value of the wire, gates, etc., now owned by the Stampede Committee is about \$25.00, and this will be available for use for future events of similar nature.

All the documents, accounts, etc., in connection with the Stampede can be inspected at the office of the secretary at any time.

Going Up! Dick Cosgrove Gets All the Sensation Of a Balloon Ascension on "Wild Boy" at Stampede

STRATHMORE'S STAMPEDE MANAGER CAN GO SOME
Champion riders of Canada and the United States gave some of the most thrilling exhibitions of bronco busting and wild horse riding two weeks ago at the stampede grounds, Calgary, ever seen anywhere. Here is Dick Cosgrove on a bucking horse which absolutely refuses to stay on the ground. Some say he jumped eight feet in the air.

YOUNG IRRICANA

MAN KILLED

Irricana was thrown into bloom on Friday by the death of a young man of the district, Alex. Black. Deceased, who was only nineteen years of age, had been operating a road scraper. There were no eye witnesses of the accident, which happened at 6 p.m., but it is believed that the scraper struck something solid, and Black was thrown from his seat, the machine passing over his head, and his head and causing concussion of the brain. He died within three hours of the accident. Dr. Fowler, of Acme, and Dr. Margaret Goodwin, were in attendance, but when found Black was beyond mortal aid.

The funeral took place on Sunday, and was attended by a very large congregation of mourners.

Such sympathy is felt with the family in their bereavement. De-

STRATHMORE MAN INHERITS

The net value of the estate of Charles Hamilton Harvey, deceased, late of Timbers, Wm., County of Kent, England, has been sworn by the executor, Muriel Doretha Turner, under \$185,000. The property, which is principally in stocks and bonds and a half section of improved land in the Strathmore district, Alberta, is divided between three sons and one daughter. One son resides at Strathmore, and two at Sanitch, B.C., the daughter, Muriel D. Turner, in England. The eldest son, Walter Rose Harvey, takes the Strathmore property, in addition to his share in the personal estate. Bennett, Hannah & Sanford are solicitors for the estate.

LOCAL NOTINGS

An invitation has been extended to His Excellency Lord Byng, Governor General of Canada, and to Hon. H. B. Bennett, to participate in the ceremony of unveiling the Memorial Stone at the Hall. The stone will be unveiled next month, probably on some date between August 1st and 25th.

The Stampede crowd on Wednesday was very orderly and well behaved and although several officers of the law were in town, not a single arrest was made during the day.

Dr. A. W. Gilvin was the victim of a slight accident at the Stampede. He mounted a horse and entered the arena in response to a harp-rop for medical assistance to a cowpuncher who had been injured, but his own horse got a bit fractious, with the result that Doc got his nose smashed.

The editor of the Standard was busy Wednesday afternoon collecting the bull's percentage from the midway attractions. This accounts for us using the Alberta's description of the arena events. An advertisement appears on an event of this kind is better than the local one, anyway, and the Alberta reporter, as well as others who were in town outside points, have some names that Strathmore had put on a great good show.

The "old army game" of Crown and Anchor had a lot of devotees during the afternoon and evening.

While Mr. Sam Richardson was telling fortunes at the Stampede sixteen horses entered her wheat field, and did a lot of damage.

The sale to be held by A. Layzell, at Strathmore, August 1st, will give good opportunity for anyone who has horses or cattle to sell to dispose of them. See advt.

BIG OIL CO. INVESTIGATION

The Royal Dutch Shell company, one of the giant oil corporations of the world, has decided to investigate the oil development possibilities of Alberta with a view of entering the field if reports are justified.

OF LOCAL INTEREST
Readers are requested to send in items for this column no later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard, Phone 17 or 68.

The Strathmore Hotel opened yesterday after a ten days' suspension. Considerable correspondence has been carried on between the Liquor Commissioner and local citizens as to the information under which this license was suspended, and it is probable that there will be a further investigation into the matter. The feeling is strong that Mr. Inglis was unfairly dealt with.

Mr. Joseph Tillison, of Blackie, a resident of Strathmore in 1910 and 1911, was in town last week, and made a donation of \$200 to the Memorial Hall, which is hereby acknowledged.

A new partnership is in town in the person of Mr. E. S. Hughes, who is in partnership with Mr. J. M. Arnold in Arnold Motors. Mr. Hughes will handle the car end of the business while Mr. Arnold will devote his attention to business at the motor end. Mr. Hughes has a good knowledge of the business, having been for several years with the Ford Company.

Mr. E. J. Davis, of Moose Jaw, has leased the Auditorium Hotel at Non-ton, and is now in charge. For several years Mr. Arlin Westwood, who was previously in charge of the King Edward Hotel at Strathmore, has been managing this hotel. Mr. Westwood and family are now moving to Calgary.

CARLELAND SPORTS TUESDAY
Carleland C.F.A. are holding a picnic and sports at the Bow River on Tuesday, July 28. There will be two baseball games, with root and novelty races. Fireworks will be shot off at Carleland in the evening, and a big dance will follow in the school house. Everyone is welcome.

NOTICE OF SALE

Notice is hereby given under Section 48 of the Domestic Animals Act (Municipalities) that One Year-old Bay Stallion, with white star in forehead, white stripe on nose, no visible brand, was impounded in the pound kept by F. E. Brower, located on the N.E. Sec. 2, Twp. 26, Rge. 26, West of the 4th Meridian, on the 20th day of June, 1925, and that the said animal was sold on the 13th day of July, 1925, to W. Freeman, of Ardenburg, Alta., and that said animal may be reclaimed by the owner, or on his behalf within a period of thirty days from the publication of this notice in The Alberta Gazette, upon payment of all fees and costs due to the municipality and the purchaser of said animal.

For information apply to the undersigned.

FRANK J. EWING,

Secretary-Treasurer, Irricana, Alberta.

M. D. Bow Valley Hold Meeting

A regular meeting of the Council of M. D. Bow Valley, No. 215, was held in the Municipal office, Strathmore, on Monday, July 13th, commencing at 10:30 a.m. All Councillors present. Report was submitted that the C.P.R. are attending to the eradication of noxious weeds on their canal right of way in division 4.

The road allowance between sections 17, 18, 19 and 20-22-26 W. 4th, still remaining closed to traffic. Mr. Weyers moved that the secretary write the Cheasid Farming Co. and advise them that if the road is not opened within five days from the date of his letter that the wire will be cut. Carried.

The secretary was instructed to notify the C.P.R. that the Council will be grading the road between sections 13 and 14 25-24-4 on or about the 20th of July, and that the Engine and grader used in this work will of necessity have to pass over the bridge over Sheep Ranch Spillway on this road allowance and that the company should take steps to insure this bridge being in such shape that it will stand the strain.

The secretary was instructed to look through the minutes of 1919 to ascertain if any payment had ever been made to J. A. MacDonald or A. N. Lindsay for road diversion in E. 15 16-24-25.

Weed Situation

Mr. R. S. Stockton, of the C.P.R., called at the request of the Council to discuss the weed situation of the company and the municipality. The action being taken by the company was considered satisfactory by the Council. Mr. Stockton was asked about the bridge at Rose's in the Nanaka Colony and suggested that this could possibly be settled by interviews with the parties affected and again bringing the matter to the attention of the Council. The Council agreed to this.

Grant To Langdon Farm

A deputation from the Langdon and Bow River Agricultural Societies waited upon the Council, soliciting a grant of

\$200.00 towards the erection of buildings for the proper carrying out of the functions of the society, a house built on or erected in Langdon. The Council agreed to the request, and Mr. Weyers moved the 1st, Mr. Groves the 2nd, and Mr. Weyers the 3rd, resolution of by-law number 28, being a by-law to authorize a grant to the Langdon and Bow River Agricultural Society of \$250.00 for the year 1925. The by-law was passed unanimously.

Bridges Dangerous

The secretary was instructed to write F. J. Graham, of the Department of Public Works, and advise him that the necessary repairs must be made immediately to the bridges between sections 15 and 16 22-25 and sections 21-22-25 W. 4th, and 26-22-26 W. 4th. These bridges are extremely dangerous to traffic.

Mr. Donald Fraser was appointed weed inspector.

A letter from Mr. J. C. Buckley, M.L.A., was read, in which he states the amount of the market road grants allotted to the surrounding municipal districts. As there appeared to be some discrepancies, each councillor agreed to submit a list of the resident farmers and the total population of his division.

Auditor Appointment Not Approved. Report was submitted, orally, to the Council by Mr. Weyers, of an interview which he had had with Mr. W. D. Spence, Acting Deputy Minister, Department of Municipal Affairs, regarding the disapproval of the Council's selection of an auditor for the year 1925. This report was accepted by the Council and Mr. Weyers moved that an advertisement be inserted in the Calgary Herald calling for applications for the position of auditor of the district for 1925 at a salary of \$150.00.

Mr. Nash moved that each Councillor be empowered to give orders for the destruction of animals impounded and which were declared worthless in accordance with the Domestic Animals Act (Municipalities). Carried.

Mr. Groves moved that the application of the Salvation Army for a grant from the Council be tabled. Carried. C.P.R. Pays Taxes on Right of Way. The secretary reported that the C.P.R. had tendered payment of taxes

on their light-way through the municipal district (Gleichen-shepard branch) under protest and without penalties. The remittance was dated June and received in July. Envelope disclosing that it was posted in Winnipeg on July 8th, 1925. No penalty had been added. Mr. Wheeler thereupon moved that the remittance be returned to them to have the additional amount occasioned by the imposition of the 5% penalty, July 1st, added. Carried.

Picnic Ground at Bow River

A delegation from the Carleton Place Local U.F.A., waited upon the Council and solicited a donation towards the purchase of part of the E. 15 25-21-25 W. 4th, for the purpose of establishing a Recreation and Picnic Ground. The Council agreed to grant \$150.00 towards the purchase of this land as approximately provided that land be bought for \$300.00, and that the Carleton Local U.F.A. would undertake the improving of this land. Further that M. D. Dinton be asked for a similar donation, and if granted that title to the land would be in the joint names of M. D. Bow Valley, No. 215 and M. D. Dinton, No. 189. If no grant received from M. D. Dinton then title to be in the name of M. D. Bow Valley, No. 215 only. Also that an agreement would be drawn up between the Municipalities or Municipality, and the Carleton Local U.F.A. embodying these conditions and a by-law would be passed by the municipality authorizing the payment to be made. Motion moved by Mr. Wheeler and carried.

A number of accounts were approved and ordered paid.

Programme For Irrigation Convention

The programme for the Nineteenth Annual Convention of the Western Canada Irrigation Association, which is to be held at Kelowna, British Columbia, July 23, 26, and 27, has just been published, and contains many interesting and instructive addresses on subjects related to irrigation farming and irrigation development generally. The Convention will be opened on the morning of July 23 by the Hon. Walter C. Nichol, Lieutenant Governor of British Columbia. The visitors will be welcomed to Kelowna by the Mayor, P. W. Sutherland, who will be followed by Grote Stirling, M.P., the Chairman of the Executive of the Association.

Mr. Don Bark will outline the afternoon session with an address on the Relation of Alfalfa to Successful Irrigation Development. This is a subject upon which Mr. Bark is able to speak with great authority. He says the longer he is in the country the more he becomes convinced that alfalfa is the foundation of successful irrigation farming in Western Canada. Irrigation of the Apple Orchard is the subject of an address which R. C. Palmer, B.S.A., Assistant Superintendent of the Dominion Experimental Station will give, and he will be followed by W. H. Snelson, of Brooks, Alberta, who will outline some Simple Methods of the Measurement of Water. Both these addresses have been specially requested. It will be Mr. Snelson's endeavour to suggest some practical means of measuring water delivered to small lots, which will be particularly helpful to water users in British Columbia.

The city of Kelowna, where the Irrigation Convention will be held, is very prettily situated on the Okanagan Lake in the heart of the orchard country, and those who attend this gathering of irrigationists will have an excellent opportunity of seeing this most productive section of the interior of British Columbia. The last afternoon of the Convention will be set apart for a grand tour of the district, which for miles around the city is intensively cultivated and fruit growing, market gardening and tobacco culture are carried on. The valley is also noted for its tomato growing and canning industry. This year more than one thousand acres have been planted to this crop, which will tax the combined capacity of six canneries.

BIG ELEVATOR FOR LETHBRIDGE
 The Ellison Milling Co. plans a million bushel elevator for the city of Lethbridge, where it has a milling plant.

This batter is not in a cheerful mood. He's on his way to first base. Why?

Baintree

Mrs. H. G. Troth and daughter, Fay, have returned to the ranch for the summer.

Mr. and Mrs. Lee Raymond, accompanied by Mrs. Dick Jacobs, moved to Calgary on Thursday. Lee, who is an old resident of the district expects to buy grain for one of the old line companies this fall. He is not certain where, but his acquaintances hope to have him located where they can see him frequently.

Miss J. W. Hopkins was a visitor to the post office the other evening, and his genial presence reminded us of the keen interest he has always taken in everything pertaining to the welfare of the community. Despite his advanced years he has made a wonderful recovery from his illness, and his numerous friends earnestly hope that he will harvest many crops like this fine one he and Beard have this season.

Miss May Longbottom leaves on Friday for the Pacific coast. During the next month she intends to look up a number of friends on both sides of the line.

Bert, old son, if you ain't too busy mix us a triple ice cream soda. Being on the water wagon this in weather is very trying on thirty guys like us. Charge it please.

An interesting visitor to the district is Miss McAvoy, of Glasgow, Scotland. She is a cousin of Mrs. J. W. Bennett, who is entertaining her. Miss McAvoy is a school teacher in the city famous for the production of ships, and she is highly delighted with the democratic and kindly folks of the west.

The meeting of "Hoot" Gibson and Marshal Haig at the Stampede was worth watching. The renowned cowboy actor and the veteran "hero of a hundred fights," seemed to enjoy themselves immensely, and we expect some of the London dailies would devote a column to the latest development in the "hands across the sea" movement.

A gentleman in the crowd was heard to exclaim: "England is sending her big guys to persuade the Canadians from annexing the U.S.A. The remark was meant to be a choice piece of sarcasm, but the speaker joined in the laugh against him, when a wit in the crowd shouted back: "No 19th amendment for us, old dear."

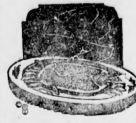

By the way, it will interest many people to learn that Archie McLean, R.F., of Nightingale, was a school friend of Britain's war chief.

The industries of our thriving community are getting more varied all the time. Billy Bell was telling us recently about the wonderful success he is having with his bees, and he intends to enlarge the scope of this money-making hobby. Last winter he and Mrs. Bell succeeded in making over a hundred dollars a month from the poultry. It goes without saying that Billy is a real good farmer.

So long men! We get three raspberries growing on one bush in our young orchard, and we got to blanket them for the night.

SAVINGS CERTIFICATES POPULAR

More provincial savings certificates were sold in the first six months of this year than in any full year previously, even including the big record year of 1923. This is indicated in the report of the treasury department up to the end of June, for which half-year period the total sales amounted to \$1,041,666. Withdrawals during the spring months were heavy, as is usually the case during the crop seedling time, but there is now close to \$7,000,000 outstanding in savings certificates. Since the Alberta savings scheme was inaugurated in 1917 there has been a total of \$25,651,236, a large part of which has been taken up by investors within the province.

Slats' Diary

Friday—I guess Billets thinks he is
the hole show now 'cause he has got
a new slicker. Ma said
it is all foolishness to
get such things and I
cant by none, well per-
sonly I dont see no use
in them neither 'cause
as I told Billets I
cant emul sense to cum
inside the house when
it begins to rain.

Saturday—John Gin-
ney is all wiked up
about starting up a
Stock Co. to manufac-
ture sum thing. He
says he has envened a
fourstore lip stick so
it can be seen in the dark as well as
in the light. Ant Emmy says the yunk
fakes is getting mity keen in this
day of ages, if they need any thing
like that.

Sunday—Mrs. Gillem nat Ant Emmy
if she cared for Placentia. Ant Emmy
said she never herd him sing but once
and that was on a tenorist
record down to Ukel Hena house.

Monday—Billetsers pa told us today
that next month he and a bunch of
other men was a going up in Alaska
and hunt bear. Ant Emmy sed she
that they was offely foolish to do that
becuz it is so cold up there that they
better take a fur coat along or at
least a sweater and sun underwear.

Tuesday—Jake was telling us onite
about a slite of hand man he seen y-
esterday at the vawdeside show. He cul
me 20 1 Bills disappear as quick as
a wink. Pa sed, Shoot that slite
nuthin. I can see that without leav-
ing the house. I just set here and
watch my wife work on my salary. Ma
never sed a wind as it happened, she
was down town buying a new outfit
for are trip we are a going to take in
the ford.

Wednesday—Green apples. Nothing
to rite about much.

Thursday—Ma's slater wish was
visiting here went home today in a
bliry on acct. of a inonest remark
pa made to her. She sed we didnt
have no convienents here. Pa remark-
ed at we had sevral trains out of
town in both direckshns every day.
She tuk a trane and left.
